Satin Brass (Z05-01-02)

Antique Acid Brass (Z05-01-03)

Black Acid Brass (Z05-01-04)

SPECIFICATION

Our brass finishes are subject to availability. Batch-to-batch variation in shade may occur within commercial tolerance. Some options may be subject to minimum quantities.

The technical specifications of brass finishes are as follows:

Composition: 100% Real Brass

Usage: interior accessories, lighting, bathtubs, and sinks.

Antique & Black Acid Finish: This finish is created by hand using chemicals to achieve the desired antique look. The results are random and no two products will be exactly the same

Polished Finish: The surface is polished to a high mirror-like finish

Satin Finish: The surface is rubbed with sandpaper and wire wool to create a dulled satin finish.

A clear matt protective coating is applied over all finishes
